Adam, still not submitted and no indication of when it may be submitted. Again, feel free to check with me at any time.

Hi Phil,

As I understand it, Goliad County will not be getting notice from the TCEQ when they file its formal request for the aquifer exemption. Some of the citizens have been inquiring about the status, so I just thought I would check in with you. Do you know whether the TCEQ has filed its formal request?

Thank you,
Adam
